Vyndamax® (tafamidis) 61 mg capsules

Patients can receive their medication through either a National or Eligible Outpatient Specialty Pharmacy once you have prescribed VYNDAMAX

National Specialty Pharmacy

Send your prescription to one of the national Specialty Pharmacies in the defined distribution network.*

See list on the back or at www.VyndamaxHCP.com

Outpatient Specialty Pharmacy, where applicable

Send your prescription to an eligible outpatient Specialty Pharmacy.

No matter which pathway you choose, a prior authorization (PA) may be needed.†

You can use CoverMyMeds®‡ to electronically submit PA requests to any health plan through a no-cost online platform at www.CoverMyMeds.com or an integrated EHR system.

For more information, contact CoverMyMeds via live chat www.CoverMyMeds.com or by calling **1-866-452-5017**

VynAssist

VynAssist is the home for personalized access and reimbursement support for patients prescribed Vyndamax, offering:

- Field Access Support
- Patient Guidance
- Financial Support Information
- Helpful Resources

Visit myVynAssist.com for more information

The VynAssist Access Care Manager is a single point of contact supporting access for patients and care teams. All patients prescribed VYNDAMAX can request support from an Access Care Manager through myVynSupport.com.

Connect with a VynAssist Access Care Manager at **1-888-863-1177** (Mon-Fri, 9 AM-6 PM ET)

EHR=electronic health record.

*Access to VYNDAQEL (tafamidis meglumine) is available through the same defined distribution network.

†Please note that where a PA request is required, the physician must submit required information directly to the patient's insurer.

§Pfizer PACs are employees of Pfizer. Pfizer PAC support is also available for patients prescribed VYNDAQEL (tafamidis meglumine). CoverMyMeds is a registered trademark of CoverMyMeds LLC. This program is run by CoverMyMeds, independently of Pfizer.

Vyndamax® (tafamidis) 61 mg capsules

SPECIALTY PHARMACY INFORMATION

VYNDAMAX is available through a defined distribution network of Specialty Pharmacies.

While you may send your prescription to the dispensing Specialty Pharmacy of your choice, choosing a Specialty Pharmacy aligned to the patient's insurer may reduce barriers to patient access. Below is a table that lists the network Specialty Pharmacies along with their associated Pharmacy Benefit Managers (PBMs)/Payers. Refer to your patient's health insurance card for guidance.
